ST. REGIS PRINCEVILLE RESORT IN HAWAII

By Nandita Khanna

The North Shore of Kauai has long been considered among Hawaii's most breathtaking areas, but until recently there were no first-class accommodations worthy of its rugged beauty. That changed when St.

Regis took over the old Princeville Resort and reopened it last October with 252 revamped rooms, an infinity pool, a 10,000-square-foot spa, and a Jean-Georges Vongerichten restaurant. Rooms, from \$850; 808-826-9644; stregisprinceville.com.
