A "spectacular setting" with "breathtaking" ocean views, Jean-Georges Vongerichten's "brilliant" Eclectic cuisine exhibiting "French flair with a Hawaiian accent" and "excellent" service make this Princeville resort establishment a "world-class destination" and Kauai's No. 1 for Food, Decor and Service; a "good wine list with reasonably priced options" is another plus, but some caution that "unless you have very deep pockets", save this one for "special occasions."
